

CONTROLLING OFFICER'S REPLY

FHB(FE)166

(Question Serial No. 2640)

Head: (49) Food and Environmental Hygiene Department

Subhead (No. & title): (-) Not Specified

Programme: (2) Environmental Hygiene and Related Services

Controlling Officer: Director of Food and Environmental Hygiene (Miss Vivian LAU)

Director of Bureau: Secretary for Food and Health

Question:

Regarding the collection of household waste under this programme, please advise this Committee on the following:

- 1) information about public refuse collection points (RCPs) in operation in 2014-15, stating the name, location and area of each RCP, and whether it is installed with a mobile refuse compactor;
- 2) whether there is any plan to relocate the existing RCPs or build new ones in 2015-16; if yes, the details;
- 3) whether RCPs with sufficient space will be installed with mobile refuse compactors; if yes, the details of the plan and the expenditure to be involved; and
- 4) the number of contractors engaged by the Food and Environmental Hygiene Department to provide refuse collection services for the public, the service areas covered, the total number of staff involved and the total payment to various contractors in the past year.

Asked by: Hon WU Chi-wai (Member Question No. 35)

Reply:

The information sought is provided as follows –

- 1) The Food and Environmental Hygiene Department (the Department) has a total of 157 permanent off-street refuse collection points (RCPs) over the territory, 44 of which are provided with mobile refuse compactors. The particulars of these permanent off-street RCPs are given at Annex. Apart from permanent off-street RCPs, the Department has 702 village-type RCPs and some 2 300 bin sites provided in villages and the rural areas.

- 2) In 2015-16, the Department has nine RCP projects under planning. These include the construction of one new RCP, in-situ reprovisioning of one RCP, and reprovisioning of seven RCPs at new sites due to development or public works at their original sites.
- 3) The Department will consider the provision of mobile refuse compactor in individual RCPs on the basis of operational needs and where the site situation permits.
- 4) Refuse collection service is provided both by in-house staff and contractor staff. At present, there are seven contractors with a total workforce of about 350 staff providing refuse collection service in the 18 districts. In 2014-15, the outsourced refuse collection service is estimated to entail an expenditure of \$146.8 million.

- End -

List of Permanent Off-street Public Refuse Collection Points (RCPs)

| District | Name | Location | Area (square metres) | Provision of Mobile Refuse Compactors |
