Please advise on the number of summonses served on the hawkers trading in Jardine's Crescent Fixed-pitch Hawker Area in Causeway Bay last year, and, among them, the number of hawkers who were repeatedly prosecuted, as well as the number of and reason(s) for prosecutions against individual hawkers who were repeatedly prosecuted.

Asked by: Hon CHAN Ka-lok, Kenneth (Member Question No. 395)

Reply:

In 2014, a total of 295 summonses were issued to operators / licensees of fixed-pitch hawker stalls at Jardine's Crescent. About 45 operators / licensees were repeat offenders. The number of summonses issued to them ranged from two to 12. The offences committed by the operators / licensees were mainly related to extension of business area beyond the approved stall area and causing obstruction in public place.
