The information sought is provided as follows –

- 1) As at 31 December 2015, there are 43 permanent off-street refuse collection points (RCPs) managed by the Food and Environmental Hygiene Department (the Department) which are provided with mobile refuse compactors. The particulars of these RCPs (namely their location, site area and the estimated amount of refuse handled) are given at Annex.
- 2) The Department plans to install, in 2016-17, mobile refuse compactor in another two permanent off-street RCPs in Eastern District, namely Tung Hei Road RCP and Hing Man Street RCP. There is no separate breakdown on the expenditure involved.

- 3) The Department will consider the provision of mobile refuse compactor in individual RCPs, including those under planning, on the basis of operational needs and where the site situation permits.
