Percentage change (<i>Note 2</i>) in -			
(a) total expenditure	+6.0 %	+6.7%	+5.1%
(b) total number of staff	-1.2%	-3.3%	+0.1%

Note

1. “Number of staff” refers to the number of contractors’ staff involved in providing the outsourced street cleansing services.
2. “Percentage change in expenditure and number of staff” refers to the percentage change as compared to the previous year.
3. “Percentage of outsourced street cleansing service” represents the percentage of the total number of street sweeping workers employed by the contractors against the total number of street sweeping workers (i.e. contractors’ staff and in-house staff) providing the service.
4. “Percentage of outsourced waste collection service” represents the percentage of the total waste yield handled by the contractors against the total waste yield handled by the Food and Environmental Hygiene Department (the Department).
5. “Percentage of outsourced mechanical gully emptying service” represents the percentage of the total number of gullies handled by the contractors against the total number of gullies that require mechanical gully emptying service of the Department.
6. “Other outsourced cleansing services” include mechanical street sweeping service, animal carcasses collection service, cleansing and waste removal services for special sites or areas, desludging and mid-night conservancy service, portable toilet service, recyclables collection service and lavatory hygiene service.
