Question:

It is mentioned under the Programme that the Food and Environmental Hygiene Department will continue to expedite the refurbishment or facelifting projects of public toilets under the Enhanced Public Toilet Refurbishment Programme. In this connection, please set out the progress and expected completion dates of the refurbishment or facelifting projects of public toilets under the Enhanced Public Toilet Refurbishment Programme in the past 3 years.

Asked by: Hon HO Chun-yin, Steven (LegCo internal reference no.: 66)

Reply:

Since 2019-20, the Food and Environmental Hygiene Department actively promoted the Enhanced Public Toilet Refurbishment Programme. As at 31 December 2022, refurbishment or facelifting projects for over 190 public toilets have been rolled out, of which 155 were rolled out in the past 3 years. The details are set out at **Annex**.
