

Mosquito Prevention

Picture Hunt

Game Instructions : Please identify differences between the two pictures by circling them in the pictures with a pen.
 Only entries which exactly match the correct answer will be considered.
 (Hint : Correctly circled places include **8 areas** in the upper picture which are possible sources of mosquito breeding, and **8 measures** taken to prevent mosquito infestation in the lower picture.)

Anti-mosquito Campaign 2024 - Prize-winning Game

Theme : How to prevent mosquitoes in the community

Introduction : The climate in Hong Kong is generally humid and rainy, which is suitable for mosquito breeding. When greening the community and performing building maintenance, we should actively eliminate various environments that may cause mosquito breeding to prevent mosquito infestations.

Organiser : Food and Environmental Hygiene Department

Objectives : To raise public awareness of mosquito prevention and control at the community level.

Terms and Conditions

Eligibility for Participation : Hong Kong residents

Participation Methods : Complete the game and fill in your personal information in block letters, then fax it to 2521 7261, send it in person or mail it to the Cleansing and Pest Control Section, Food and Environmental Hygiene Department, 42nd Floor, High Block, Queensway Government Offices, 66 Queensway, Hong Kong. If necessary, please make photocopy or download the participation form from our website https://www.fehd.gov.hk/english/pestcontrol/mosquito_quiz/picturehunt2024.html. For more information on mosquito prevention and control, please visit FEHD website: www.fehd.gov.hk

Closing Date for Participation :

1. By post: 25 October 2024 (Postmark Deadline)
2. By fax: 25 October 2024 (11:59 pm Hong Kong time)
3. In person: 25 October 2024 (6:00 pm Hong Kong time)

Ordinary prize : A complimentary copy of the book "Mosquitoes of Hong Kong" published by the Food and Environmental Hygiene Department, and a foldable umbrella with anti-UV feature (50 prizes in total)

Rules :

1. The participant in the game must be an individual. Participation in the name of a group will not be accepted.
2. Each participant can only return one participation form. **Multiple entries will be rejected.**
3. The Department will draw lots to select winners from participants who submitted correct answers.
4. Submission of the entry will mean that the participant has agreed to observe the rules of this game.
5. Staff of Cleansing and Pest Control Section under Headquarters Division of the Department shall not participate in this game.

Notes :

1. The list of winners will be published on 22 November 2024 on Sing Tao Daily and the Standard.
2. Winners will be notified individually before 13 December 2024 for collection of prizes. If participants do not receive any notification by then, this means they are not awarded any prizes.
3. A winner's eligibility for the prize will be revoked automatically without notice if the winner fails to collect the prize on or before 24 January 2025.
4. The personal information collected from the participants will be used by the Department for this game only and will be destroyed after the end of the game.
5. Participants must fill in their personal information correctly. If the information provided by the participants is incomplete, the Department will revoke their eligibility for participation.
6. Participants have the right to request access of and correct the personal information provided.
7. For enquiries, please contact Cleansing and Pest Control Section, Food and Environmental Hygiene Department at 2867 5507.
